## **Welcome @ 0830 hours**

Commissioner Letham welcomed everyone to the meeting and explained this was a brief meeting to discuss the ASD items on the agenda for 9am at the County Courthouse. Monica Hoth let the group know that because of these meetings happening on Monday morning, we would be without Bart Birch. His Monday mornings are spent in court, but he would catch up with Chief Campbell.

## **Review of last ASD meeting; Medical Director, Advisory Board, Fire/ASD Agreement:**

The Fire Commissioners discussed the last ASD meeting and what agenda items were planned for the meeting beginning at 9am. They also discussed developments with the Medical Directors. They went on to discuss the Fire/ASD agreement and how that also needs to begin with Teton County Wyoming.

## **Chief's Report:**

### Operations

Chief Campbell reported that he and Chief Schauster have spent some time with Holly Wallgomott at the County, to assist with the information needed in order to put the bid for ambulances out. That process is beginning and they should be receiving a report on that at the ASD meeting at 9am.
